## 2. WHAT ARE COOKIES.

Cookies are small text files that are placed on your device (computer, smartphone, tablet) when you visit a website. Cookies are widely used by website owners to make their websites work more efficiently and to provide reporting information.

## 3. HOW WE USE COOKIES.

We use cookies for a variety of reasons, including:

- 3.1. **To ensure the proper functioning of our Sites:** Certain cookies are essential for the operation of our Sites. They enable you to navigate the site and use its features, such as accessing secure areas.
- 3.2. **To enhance user experience:** We use cookies to remember your preferences and provide you with a more personalized experience.
- 3.3. **To analyze and improve our Sites:** We use cookies to understand how our visitors use our Sites and to identify areas for improvement. This helps us to continuously improve our services and enhance the user experience.

## 4. TYPES OF COOKIES WE USE.

We use the following types of cookies on our Sites:

- 4.1. **Strictly Necessary Cookies:** These cookies are essential for the operation of our Sites. They enable you to navigate the site and use its features. Without these cookies, certain services you have asked for cannot be provided.
- 4.2. **Performance Cookies:** These cookies collect information about how visitors use our Sites, such as which pages are visited most often and if they receive error messages from web pages. These cookies do not collect information that identifies a visitor. All information these cookies collect is aggregated and therefore anonymous. It is only used to improve how our Sites work.
- 4.3. **Functionality Cookies:** These cookies allow our Sites to remember choices you make (such as your username, language, or the region you are in) and provide enhanced, more personal features. These cookies can also be used to remember changes you have made to text size, fonts, and other parts of web pages that you can customize. The information these cookies collect may be anonymized, and they cannot track your browsing activity on other websites.
- 4.4. **Targeting/Advertising Cookies:** These cookies are used to deliver advertisements more relevant to you and your interests. They are also used to limit the number of times you see an advertisement as well as to help measure the effectiveness of advertising campaigns. They are usually placed by advertising networks with the website operator's permission. They remember that you have visited a website, and this information is shared with other organizations such as advertisers. Quite often, targeting or advertising cookies will be linked to site functionality provided by the other organization.

## 5. YOUR CHOICES REGARDING COOKIES.

You have several options to control or limit how cookies are used on your device:

- 5.1. **Browser Settings:** Most web browsers allow you to control cookies through their settings preferences. However, if you limit the ability of

websites to set cookies, you may worsen your overall user experience, since it will no longer be personalized to you. It may also stop you from saving customized settings like login information.

5.2. **Opt-Out Links:** You can opt-out of certain cookies used for advertising purposes by using the opt-out tools provided by advertising networks. For more information on how to opt-out of advertising cookies, you can visit:

5.2.1. Network Advertising Initiative:

5.2.2. Digital Advertising Alliance: <http://optout.aboutads.info/>

5.2.3. European Interactive Digital Advertising Alliance:

<http://www.youronlinechoices.com/>

5.3. **Do Not Track:** Some browsers include a "**Do Not Track**" (DNT) feature that can send a signal to websites you visit indicating that you do not wish to be tracked. However, there is no uniform way that browsers interpret the DNT signal. As a result, our Sites do not currently respond to DNT signals.

## 6. CHANGES TO THIS COOKIE POLICY.

We may update our Cookie Policy from time to time. We will notify you of any changes by posting the new Cookie Policy on this page and updating the "**last updated**" date at the top of this policy.
